Certificate

Dear. Mr. Park, Kun-Kyoung

We are pleased to attach your certificate No.: Z2.15.03.88878.007
which entitles you to label your certified product(s) with the respective certification mark.
Let us give you some additional information which we consider to be important for you.

- The product has to be accompanied by a user manual in the language of the country where it is supposed to be sold.
- For the European market, the address of the importer or the European representative shall be affixed on the product, as well.
- To ensure that the validity of the certificate is not put at risk please inform us about any change in your production or of the product itself.
- The certification will allow you to sell your products easier and with less risks.
- The annual license fee will be 10 units for maintaining these advantages

Further information for the use of our mark is contained in our testing and certification regulations. We look forward to our co-operation and will assist you at any time.

Yours sincerely,

Brian Cha / HA
